Per each leagues rules: Each team is responsible for working at the concession stand at least one night in the season. There will be a few teams that will be scheduled twice due to the amount of games. There must be a minimum of 3 adults. NO CHILDREN!

Managers should get with their coaches and/or parents for volunteers. All managers must contact their commissioner with the names of the volunteers that will be working the concession stand prior to your scheduled date. If your team is unable to make their scheduled date, you must find a replacement and advise your commissioner.

If your scheduled date results in a rain-out, we will reschedule and advise.

Thank you.
